

Lycoming County Water and Sewer Authority, a water and wastewater provider, is accepting applications for an experienced Process Operator.

Successful candidates will have experience in water/wastewater operations with an understanding of chemical and biological processes; proficient with Microsoft Word and Excel, demonstrated ability to evaluate complex problems and make sound process decisions; and experience in preventative maintenance and knowledge of permit requirements.

Candidates must be professional, have excellent verbal and written communication skills, be team oriented, and flexible to the changing needs of the organization. The position requires a background check and drug testing. A valid driver's license is required.

This position is full time (40 hours per week) Monday – Friday, 7:00 AM – 3:00 PM. Wage range \$24-\$28/hour dependent upon education, experience, and qualifications. Excellent benefits package!

Please send resume or application, three references, and salary requirements by to:
